

Jordan University College

A Constituent College of St. Augustine University of Tanzania

BA in African Studies and Diploma in African Studies

Programme of African Studies (Bachelor & Diploma) is aiming at highlighting the reality of Africa and her people, past, present and future. In this the College empowers the students of the programme with the knowledge and skills required to play an active role in the continent's effort to realize itself and prolifically find its own space in the competitive global environment.

African Studies in JUCO offers students career opportunities in different areas, namely: leadership in sectors like government, NGO, educational institution; multi-national corporations; departments of United Nations; international and regional bodies and institutions; Journalism; tourism; art and cultural institutions, etc. Its gives one a firm basis for further studies in arts and social sciences, as well as capacity for research and publications on various issues. Above all, African Studies offers students the capacity for self-employment.
